

The image features a black rectangular background with white text and two overlaid line graphs. The top line graph is red and the bottom one is grey. Both graphs show a similar trend: a slight dip in the mid-range followed by a sharp rise in the high-frequency range. The red line is consistently higher than the grey line, especially in the high-frequency region. The text is centered and reads: Audi RS Q8 (4M) - OPF/GPF Akrapovi Sound Kit P-HF1284. At the bottom, the website address www.akrapovic.com is displayed.
